Your full desktop experience

Print, copy and scan-functionality packed into a compact design makes the MA2000w the ideal device for desktop use. Designed for home use and small workgroup sharing, this multifunctional printer offers 20ppm black and white printing and colour scanning.

MA2000w

- A4 Monochrome
- Print, Copy & Scan
- Wireless network or USB
- Toner included for up to 3,000 printed pages

Light and Compact

Due to its light weight and compact design, the MA2000w can be placed on the desk at a reachable distance to support your document tasks, whether you are in the office or working from home.

Easy to Use

The KYOCERA Client Tool is a simple and intuitive utility enabling users to easily print and scan their documents.

Additional Features Supporting Remote Work

The compact and lightweight design makes it easy to place and use from anywhere. The MA2000w All-In-One toner/developer design utilises all the toner without any waste. Also, with energy saving EcoPrint Mode and Quiet Mode technology, you're environmentally being green with reduced noise. For IT managers who require printing and scanning activity by remote workers, log data can be saved and exported periodically.

MA2000w
